1.1 Welcome to the 2025-2026 Julia Farr Disability Inclusion Grant Round 2

During the 2025-2026 Julia Farr Disability Inclusion Grant rounds, DHS is offering funding to eligible organisations for projects that foster **Inclusive Environments and Communities**. This initiative supports the vision of South Australia where all people with disability can participate as equal citizens and feel connected to their communities.

This funding round is designed to support eligible organisations in delivering initiatives that improve the lives of South Australians living with disability. Funding will be prioritised for projects that:

- develop programs, activities, events or other support services that respond to community need, promote participation, accessibility and inclusion; and
- build, develop or strengthen partnerships or collaboration with other community organisations to deliver these initiatives.

Projects funded under this program must align with *Domain 1: Inclusive environments and communities* under the [State Disability Inclusion Plan 2025-2029](#) and address one or more of the following five priority areas:

- 1.Active Participation
- 2.Inclusive Communities and Attitudes
- 3.Universal Design - Accessible Environments
- 4.Accessible Facilities
- 5.Communications and Information

Please use this form to apply for funding up to **\$100,000** to **Guidelines (add link)**. This funding is designed to support initiatives with a contract period of 24 months.

Please note:

- If your application is successful there is no guarantee that you will receive the full amount of funding requested.

If you have problems completing the form or have questions about the process, including eligibility, please contact the Disability Policy and Reform team on telephone 1300 990 256 or alternatively via email at JuliaFarrDisabilityInclusionGrants@sa.gov.au

4. The Funding Request

* indicates a required field

4.1 Itemised Funding Request

List all items you wish to receive funding for in separate rows in the table below. Use the + and - buttons at the right hand side to add and remove rows.

You must attach a CURRENT quote or evidence of costs for ALL items/budget lines.

- For organisations **registered for GST** all values must be GST exclusive.
- If successful GST will be added to the requested value of your grant.
- For organisations **not registered for GST** all values must be GST inclusive

If the quote provides a total amount including GST (e.g., \$110) without listing the GST amount separately, calculate the GST-exclusive amount by dividing the total by 1.1 (i.e., $\$110 \div 1.1 = \100). To calculate the GST, multiply the GST-exclusive amount by 10% or 0.1 (i.e., $\$100 \times 0.1 = \10). Therefore, the total amount of \$110 includes \$10 as GST.

Reminder:

- Ensure budget items align with your project description.
- If purchasing multiple of an item please list once with the number of items. eg 10 x computers
- If your application is successful there is no guarantee that you will receive the full amount of funding requested.
- If successful, this budget information forms the basis of the funding contract between your organisation and DHS
-
- Ineligible costs are listed on pages 5 & 14 of the Guidelines.
